

**Dreamchaser PMU Rescue & Rehabilitation
BOARD OF DIRECTORS**

January 18, 2018

**PRESENT: SUSAN N THOMPSON
JAMIE E THOMPSON
PHONE: SUZANNE E MOSHIER, NEBRASKA
KAREN DICKEY, ARIZONA**

Minutes of the June 10, 2017 meeting were approved by all Board members.

Financials for 2017 were presented. Our financials currently show: Income of \$368,863, Business and Facility Expenses of \$106,860, Animal Care expenses of \$83,458, Payroll of \$53,116, and Net Income of \$83,501. There is currently \$21,914 in FSCB checking, and \$137,717 in savings.

Two more shelters have been built. One is in the first pasture where Bud and Arriya are, and the other is in the back pasture at the end of the corridor. This shelter is convenient for Illusion's group including the youngsters and there is plenty of room. Solar lights are being installed as well.

Improvements have been made to the barn again, adding more support beams. A new well was installed, along with piping and new hydrants at Dreamchaser One. Piping and two hydrants were also added at Dreamchaser Too, making it easier to fill waters for all pastures. A well house has also been built and insulated to protect the well from freezing.

We have two new employees, Chase Dunham for barn and outside chores, and Julie Gatlin for office help. Paul is on equipment, Stacey does barn and office, and things seem to be well under control.

Minutes submitted by Jamie E Thompson, Secretary/VP
